THE BEST OF CARE, CLOSE TO HOME

We understand that during this transitional time, care and support are of the utmost importance. Our dedicated team are here to ensure the move to our home is a simple one, providing a tailored approach for each individual.

We like to think that if residents enjoy what they are doing in an environment where they feel comfortable and relaxed, they will be empowered to enjoy and make the most of every day. Our dedicated activities co-ordinator provides a varied programme. This includes regular visits from entertainers, pet therapy as well as themed events within our home to name a few.

For those who enjoy their own company or quiet time, we have a number of comfortable and homely areas within our home to read or relax.
